SAMSUNG CO., LTD

We warrant this product to be free of defective materials and workmanship. If the product should become defective it will be replaced free of charge at your local store. This warranty does not include damage to the product resulting from accident or misuse.

WARRANTY

SAMSUNG XM-5 gives you super recording and the best performance of every musical subtlety from a higher sensitivity and MOL through the super frequency range. Also gives you much better sensitivity with stable output level than chrome tapes. It is a high position tape for use primarily on higher quality cassette decks.
