

### Maxell Cassette Tape Features

In the cassette Maxell adapts the unique 4-function leader to incorporate the cleaning properties of its original head cleaning tape. The special finish assures continuous cleaning without fear of head wear.

- ① Non-abrasive head cleaning leader tape.
- ② Indicates A or B side ready to play.
- ③ Arrows indicate direction of tape travel.
- ④ 5-second cueing line.

### Handling/Storage Instructions

- To prevent the tape from developing trouble in travel, take up any slack in the cassette by using a pencil stub as shown in the illustration.
- Break off the breakout lugs from the cassette to prevent the recorded material from accidental erasing.
- To assure smooth tape travel and high quality recording/playback, periodical cleaning of the heads and capstans is recommended. Store the cassettes in their plastic bases after use. During storage, keep them from heat, humidity, magnetic fields and dust.
