**HR (High Resonance-Damping) Cassette Mechanism**

Outstanding vibration absorption characteristics have been achieved by incorporating a New Oval Window Cassette Shell, our HR cassette mechanism and our DD (Dual Damping) Slip sheets.

**Pure Natural Sound**

The use of ultra fine, High Energy Epitaxial magnetic particles combined with our unique Multi-Orientation Technology produces High Output and Low Noise.

**Excellent Durability and Heat Resistance**

Our exclusive HE(High Endurance) binder system enhances critical properties such as durability and heat resistance.

Made in Japan

**Maxell Cassette Tape Features**

In the cassette Maxell adapts the unique 3-function leader to incorporate the cleaning properties of its original head cleaning tape. The special finish assures continuous cleaning without fear of head wear.

- ① Non-abrasive head cleaning leader tape.
- ② Indicates A or B side ready to play.
- ③ Arrows indicate direction of tape travel.
